What is Miss Generation?

Real women aged 25-55 have inspired us to organise Miss Generation Pageant. We have heard their incredible stories they wanted to present on stage but being denied taking part because of the cut-off age.

So we have done something about it!

We have created the beauty contest for ladies where class, intelligence and beauty can be shown.

The first edition took place in January 2019 and ended with a great success!

Out of many applicants from all over the UK - twelve beautiful and strong women were chosen to the final. They presented themselves to the audience of over 300 guests and media.

Titles!

There are three winning categories:

- Miss Generation (Main Title)
- Princess of the Year (candidates aged 25-40)
- Ageless Beauty Queen (candidates aged 40-55)

Miss Generation 2024 Gala, with the participation of guests, media and celebrities, will take place at the turn of May and June 2024 in London.

"Before the Miss Generation experience I was not a very confident person and did not believe in myself, despite what other people told me.

Now that has changed, I believe in myself now and feel anything in life is possible if you put your mind and heart into it. "I can't is a reason not to try"."

- Shamila Mazhar, Miss Generation 2019
